

If I Forget Password How can I recover my Account?

The screenshot shows the 'Secure Note' login interface. At the top, the logo 'Secure Note' is displayed with the tagline 'Write, Save & Protect Stress free'. Below the logo, the text 'SIGN IN' is underlined, and a button 'New here? Sign Up' is visible. The login form includes a 'User ID:' field, a 'Password:' field, and a 'Show Password' checkbox with a dropdown arrow. Below the password field are two rows of ten small square checkboxes each. There are also two buttons: '✓ All' and 'X All'. A rich text editor toolbar is present with options for bold (B), italic (I), underline (U), font name, size, and text color (abc). At the bottom, there are 'Reset' and 'Sign In' buttons. A red arrow points to a blue link labeled 'Forgot UserID/Password'.
